

## CYE Online Conference Saturday 13 November 2021

### Attendees

Delegate	Country
Valeriya Babich	Belarus
Klára Kratochvílová	Czech Republic
Samuel Rubín	Czech Republic
Stefanie Ischner	Germany
Dorottya Komlósi	Hungary
Filippo Grassi	Italy
Francesca Civolani	Italy
Francesca Pietrunti	Italy
Amalie Henrichsen	Norway
Patricia Lima (board)	Portugal
Ana Prats	Spain (FACE)
Eduard Colomer (board)	Spain (Celíacs Catalunya)
Rebecca Neuhold	Switzerland
Marissa Siemons (board)	The Netherlands
Liza Tretiakova	Ukraine

## Opening

The GA meeting started with a small introduction of each member and a game of 'would you rather'.

## Communication form

It was brought up that not everyone prefers to use WhatsApp to communicate. We discussed other options but noticed most delegates prefer either email or WhatsApp. If anyone would like to receive a message through any other platform of our activities, they can bring this up with the board.

## Working Group: Social Media

- Define the person/people who are responsible for posting on social media.
- More posts about food (photos): with the country, if it is a certified restaurant.
- Posting recipes once a month.
- Post more about CYE activities.
- Post about the summer camp: curiosities about the country, for example.
- Quiz with food questions (would you rather eat pizza with pineapple or not).
- More posts about travels, with tips about travelling.
- Program posts before-hand: use business-suite to post and plan things.
- Posting recipes about festivities.
- Do a collaboration with Schar/other food company and in the end, the winner will have a prize (food products).
- Contact famous people (or famous gluten free bloggers etc.) in each country to spread awareness in coeliac disease.
- Posting about Summer Camp
- Scientific articles (when published by national association translate it)
- Coeliac people tell their story.
- One structure that is easy to follow.

## CYE Summer Camp 2022

- The organisation that was supposed to organise it in 2020 is no longer available. We are currently in contact with the Italian association to try and find another association. The Italian delegates are checking on this and would like to emphasize their interest in organising the event in 2022.
- Portugal was supposed to organise the summer camp of 2021 and is checking their availability for 2023.
- Amalie (Norway) said she'll speak with her association because they already organize summer and winter camps. Possibly for 2023 or future.

## EPF

The European Patients' Forum (EPF) is an independent non-profit, non-governmental umbrella organisation of patient organisations across Europe and across disease-areas. Our 77 members include disease-specific patient groups active at EU level and national coalitions of patients.

It is currently possible to apply to become a member of the youth group. You can use CYE as the association.

## **Project plan 2022**

### **Ideas**

- Do online meetings every 2 or 3 months: casual meetings
  - PubQuiz
  - FAQ
- Working with Erasmus
- Do a project around exchanges with other countries
- Expand list of countries in TravelNet
- Establishing a buddy in each country
- Organize a winter camp
- Document with all contacts of each association: sharing what CYE is in every country through communication channels
- Post about diabetes day, for example, to establish a collaboration with them
- Make a documentary about how coeliacs live in each country in Europe
- Contact Disney/Pixar through a formal letter to have a character that represents celiac disease
- Telegram/Discord group to interact

## **CYE Board positions 2022**

It was mentioned that in the next year at least one board position will become available for delegates. Anyone interested in becoming part of the board is invited to board meetings, in order to have a smooth transition. It is important to make sure the flow always remains with at least 1 board member remaining, in order to continue all projects smoothly.
